

Company Scope:

- Retail supplier of new and used furniture for the home and office
- Offers home and office furniture design, assembly, rentals, leases, and financing.

Total Savings:

\$10,800

18-month term

RETAIL - FURNITURE

TruEnergy's Analysis:

- Customer's chief concern was to simplify the billing process, eliminating the time spent paying bills as well as the number of checks having to be written

Custom Action Plan:

- TruEnergy placed this customer with a provider who would allow the owner to include his residence on the same account, consolidating billing statements
- Placed the customer with a provider who offered online billing, further simplifying the billing process

Savings Results:

- In addition to the time we were able to save the customer each month, we were also able to offer 20% savings on energy costs
